MOVE MAKERS

Classroom Guide

The NEW SCHOOL TRAVEL CHALLENGE from Living Streets.
This guide explains everything you need to know to run the challenge successfully with your class.

What is Move Makers?

Move Makers inspires pupils to travel actively and sustainably to school through friendly competition and fun rewards.

- Pupils log how they travelled to school each day on the Move Makers platform
- Points are awarded based on travel mode and regular use
- Classes compete to have the most points each month
- Pupils earn individual recognition for participation and improvement
- There are also termly competitions between schools on local and national leaderboards.

WHY IS BEING ACTIVE ON THE JOURNEY TO SCHOOL IMPORTANT?

Walking/wheeling, cycling, skating or scooting to school supports your pupils' physical health and helps them arrive energised and ready to learn. Fewer cars around the school gates makes streets safer and more pleasant for the whole community, too.

> HOW DO WE TAKE PART?

- Log into Move Makers using your three-word password: **movemakers.org.uk**
- Pupils select their name/icon and choose their travel mode
- **If you're short on time, use batch mode:**
 - take a quick hands-up survey
 - record the class's journeys in one go.

➤ PRACTICE MODE

Your first five journeys logged in your class are in practice mode. This:

- helps pupils learn how to log
- creates a baseline for active journeys.

Once your class has recorded five days of journeys, your practice mode is complete and the challenge begins!

➤ ENCOURAGING YOUR CLASS

- Discuss the benefits of being active on the journey to school for health, the environment and community
- Use the launch presentation for inspiration
- Remind pupils that every logged journey earns points
- Celebrate streaks (daily logging) and active journeys
- Build excitement around the Move Makers monthly competition.

TOP TIP:

BUILD LOGGING INTO YOUR MORNING ROUTINE, SO PUPILS DO IT CONSISTENTLY.

MONTHLY REWARDS AT THE END OF EACH MONTH:

> CLASS REWARDS

- The class with the highest points per pupil becomes the monthly Move Makers winners. They get to host the mini Strider mascot for the next month.

> INDIVIDUAL REWARDS

- Stickers for all pupils who logged that month
- Gold, silver, bronze stickers for the top three scoring pupils in each class
- Change Maker award for the pupil who made the biggest improvement in each class.

Move Makers calculates these automatically. You can celebrate class and individual milestones in whatever fun way suits your school: whether that's a celebration assembly, extra golden time, popping a marble in the reward jar, or any other fun tradition your pupils enjoy! Why not keep a diary of what Strider gets up to with the winning class each month?
