WALK TO  
SCHOOL

happy  
SHOESDAY

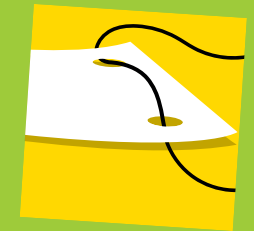

## Turn your shoes into SUPER-HEROES!

Use our shoe cape template to create super-happy shoes. Simply print out a copy for each shoe, decorate them as colourfully and crazily as you like, then use a piece of string to tie them around your ankles. We recommend you print them on thick paper or card so they last longer.

1. CUT OUT YOUR CAPE

2. FEED STRING  
THROUGH HOLES AT THE  
BACK AND TIE KNOT

3. PUT COVER OVER  
SHOE AND WRAP STRING  
AROUND ANKLE

Share your designs  
with us so we can inspire  
everyone to get walking!
