

## IMAGE CONSENT FORM

Images bring the work of Living Streets to life and may be captured during events organised by Living Streets using film photography, digital photography, video or other medium.

By completing this form, you give us permission to use the images or videos of the person named below, in communications materials which promote or advertise the work of Living Streets. This could be in any printed or digital format including, but not limited to, publications; adverts; audio-visual and electronic materials; media work; display materials; and any other media channels we may use in the future. On occasion, we may also supply images to partners, third party publication and websites to support articles relating to our work. In cases involving the media we will endeavour to contact you prior to publication.

Remember that once an article is published and in circulation (for example a newspaper or on our website) it may be copied and used by others. If you ask us not to use the photograph film and words in future we will comply with your request and will do our best to stop others doing so, but we cannot guarantee this.

The consent will automatically expire after five years and your data will not be used for any new campaigns after this time. You may withdraw this permission at any time by writing to us at: [info@livingstreets.org.uk](mailto:info@livingstreets.org.uk) or Living Streets, 133 Whitechapel Highstreet, Aldgate, E1 7QA

*The copyright of any material which is generated as a result of this photographic session shall be the property of Living Streets.*
